

Small Business Seminar

FREE!

Are you considering starting a Small Business? Got an idea but not sure what to do next?

Gain practical insights into what makes a business prosper and how you can avoid some of the biggest traps. This free seminar will provide helpful information and advice for those thinking about starting up a small business

Speakers will include John Magar, a successful local small business consultant with many years experience and Arie Moses who will provide information about the Government's NEIS program.

Tuesday 22 September, 6.30 - 8pm
